Main Conference	
Time	Programme
15:00 – 16:00	Registration & Reception
16:00 – 16:05	<b>Welcome Speech</b>
16:05 – 16:15	<b>Opening Remarks by HE. Bui Thanh Son, Minister of Vietnam Foreign Affairs</b>
16:15 – 16:30	<b>Session 1</b> <b>Vietnam Toward 2030 and Beyond: Mega Trends Open Up New Opportunities</b> Vietnam's government aims to transform the country into a modern industrialized economy by 2030 and a high-income country by 2045. To that end, Vietnam must adapt to a number of global and domestic megatrends, including multinational corporations' (MNCs') China Plus One strategy, green growth, digitalization, urbanization, and the rise of Vietnam's middle class, all of which create exciting new business and investment opportunities across a wide range of industries. This presentation will go over these topics. <b>Speaker:</b> Mr. Nguyen Thang – Vietcombank's Chief Economist

<p><b>16:30 – 16:45</b></p>	<p><b>Session 2</b></p> <p><b>Attracting Quality Foreign Investment to Realize Vietnam's Strategic Goals</b></p> <p>Foreign investment has long been regarded as an integral part of the Vietnam economy, acting as a catalyst for the country to achieve its strategic goals. The Government of Vietnam strives to create a transparent and conducive environment for foreign investors. The presentation provides a comprehensive overview of the state of FDI in Vietnam, as well as policies to attract high-quality FDI in the years to come.</p> <p><b>Speaker:</b></p> <p>Mr. Do Van Su – Deputy Director General, Foreign Investment Agency, Ministry of Planning and Investment</p>
<p><b>16:45 – 17:00</b></p>	<p><b>Session 3</b></p> <p><b>Development Orientation and Investment Opportunities in Renewable Energy Sector in Vietnam</b></p> <p>Green growth is becoming a megatrend in many countries around the world, including Vietnam, particularly since the Vietnamese government is committed to achieving Net Zero carbon emissions by 2050 at the COP26 conference. The presentation unpacks the path to fulfilling the Net Zero commitment, focusing on developing the carbon credit market, the current state of the renewable energy industry as well as the key elements outlined in the recently approved National Power Development Plan 8. This speech also discusses Vietnam's renewable energy development priorities through 2050, as well as some solutions to attract investment in this sector.</p> <p><b>Speaker:</b></p> <p>Mr. Pham Nguyen Hung – Deputy Director General, Electricity and Renewable Energy Authority, Ministry of Industry and Trade</p>
<p><b>17:00 – 17:55</b></p>	<p><b>Panel Discussion</b></p> <p><b>Opportunities for Foreign Investment in Vietnam in Response to New Changes</b></p> <p>The panelists will engage with conference participants on the topics of the former's presentations. This session aims to deepen participants' understanding of specific issues of interest to them.</p> <p><b>Moderator:</b></p> <p>Mr. Nguyen Thang – Vietcombank's Chief Economist</p> <p><b>Participants:</b></p> <ol style="list-style-type: none"> <li>1. Mr. Pham Nguyen Hung – Deputy Director General, Electricity and Renewable Energy Authority, Ministry of Industry and Trade</li> <li>2. Mr. Do Van Su – Deputy Director General, Foreign Investment Agency, Ministry of Planning and Investment</li> <li>3. Representative of existing Singaporean investor in Vietnam</li> </ol>
